

DORTRONICS SYSTEMS, INC.

1668 Sag Harbor Tpke., Sag Harbor, NY 11963 (800) 906-0137 (631) 725-8148 Fax www.dortronics.com

WE ARE STILL OPEN

COVID-19 Update as of 4/23/2020

Dortronics Systems, Inc. is open and available to support your sales, engineering and production needs.

New York Governor Andrew Cuomo issued an Executive Order throughout New York effective March 20, 2020. The Order is an attempt to prevent the spread of the COVID-19 virus and limit its effects to both individuals and the healthcare system.

The Order recognizes the need for Essential businesses to stay in operation including their supply chain. Dortronics Systems, Inc. is considered an Essential business by definitions provided in the Order. As such, Dortronics Systems, Inc. will remain open while continuing with the distancing and safety procedures we have implemented for our employees

During this time, we have had to reduce our staff in order to comply with distancing and work from home policies. We are still operating sales, engineering and production to keep your orders and shipments moving as smoothly as possible.

Our hours will remain 8:00 am - 5:00 pm EST, Monday - Friday.

We are available by phone or you can email sales@dortronics.com for order status, order placement or should you need help with an application. We appreciate your patience as we work to provide you up-to-date information regarding product availability and shipments during this time.

Product specifications, information and support documents can be found at <https://dortronics.com>

We thank you for your business and support.

**John FitzPatrick
President**
