## Custom Fabrication For All Your Project Needs

Speedy delivery of off-the shelf or custom assemblies adds the finishing touch to your installations.

As the industry's leading provider of customized access control products, we stand by our slogan "What You Want, When You Want It." And the hundreds of custom annunciators and switches that we've delivered over the years is proof!

We have a wide range of capabilities to meet project requirements. Including switches with durable and high-visibility etched or paint-filled lettering in color and standard and custom plate sizes, and annunciators of all shapes and sizes made to your specifications.
